- The university closes at **19:00** during our first week (**16:00 on the first Monday**) and at **17:00** during our second week (**16:00 on the last Thursday**), so please don't linger on campus grounds after these times (angry security guards will yell at us in German)
- During the first week, practice rooms **70120** and **70123** will be available to all students Wed-Fri 9-19 to practice and work. Sign up using the sign-up sheets outside each room. Out of consideration towards your colleagues, please limit your work sessions to 1.5 hours per day max
