Reminders:

- There will be an informal, optional pre-workshop dinner on Sunday 17 July at Restaurant Mythos, at the corner of Webgasse and Mariahilfer Straße at 19:30. Come by! As this is an informal event outside of the official schedule, food and drinks consumed here are not covered by tuition
- The university closes at **17:00 (16:00 on the first Monday)**, so please don't linger on campus grounds after this time (angry security guards will yell at us in German)
- During the first week, practice rooms **70120** and **70123** will be available to all students Wed-Fri 9-17 to practice and work. Sign up using the sign-up sheets outside each room. Out of consideration towards your colleagues, please limit your work sessions to 1.5 hours per day max, and only sign up for time you will use on the same day (e.g. no booking hours for all three days on Wednesday!)
